February Newsletter

News

The past few years we have had children leave in August who had previously provided verbal commitment to register for the upcoming year. This year we are aligning our process of securing child placement with the trends of parents making placement decisions. As part of this change, we will now require that our annual registration fee be paid June 1st. This will make for a more binding arrangement that will give better awareness to the actual openings that we will have available for the fall. If your child's registration fee is not paid by June 15th, they will not be included in the upcoming year's class roster. Our new school year will begin mid-August. Those electing not to register for the upcoming year are welcome to attend up until the date of transition. If you know that your child will not be attending our center next year, please let either your child's teacher or Mrs. Shari know.

Events

Dr. Delarosa's office will be coming to the center on February 2nd in honor of Dental Hygiene Month. The Dental Dinosaur will speak to the children about good brushing habits and how to protect their teeth from cavities.

Classes will be celebrating Valentine's Day on February 14th. Please check with your child's teacher in order to find out if they will just be exchanging valentines or also having a party.

On February 17th the classes will be having their annual Mardi Gras parade. If you have any extra beads or trinkets that you can donate, we would greatly appreciate it.

Reminders

We will be closed February 20th and 21st for the Mardi Gras holidays. We will be using this long weekend to have our front parking lot repaired and re-surfaced.

February Birthdays

Happy Birthday!!!

Claire-February 1st
Olivia-February 15th
Hailey-February 19th

Mrs. Jennifer-Feb. 8th
