September Newsletter

News

It is time for the annual Health Department Immunization Audit Form. If we do not have current immunization records on your child, you must get them to us ASAP.

It is also time to renew the Federal Food Program forms. We will be sending home a new form next week. These forms are **mandatory** for enrollment in our center. Please complete one **for each** child and return it to your child's teacher as soon as possible. All information on the form is confidential and seen only by the director. If you have any questions in regards to completing the form, please see Shari.

Events

We will be having our first Open House on Tuesday, September 28th from 7:00-8:00 p.m. This is a **parent only event**. This is a great night for you to come and spend some time getting to know your child's teacher. The children's work will be on display for you to see.

Eric Frank will be at the center on Wednesday, September 22nd to take Fall pictures. This year we will be doing LSU, Southern, and Saints themed pictures. He will have backdrops for each of the three teams. Please send your child dressed for one of the teams. He will be at the center from 7:00 until 9:00 a.m. Proofs will be returned in about one week with order forms for you to purchase.

Reminders

All children are required to have the 2 inch thick mat with a mat cover. If your child does not have one, please get one for them as soon as possible. Wal-Mart and the school supply stores have them in stock right now. Also, due to health department regulations, the children are not permitted to have pillows of any kind.

September Birthdays

Happy Birthday!

September 1st - Kenlie
September 1st - Cohen
September 12th - Marlee
September 23rd - Rabb
September 30th - Reese

September 4th - Mrs. Anita

September Events

September 6th - Labor Day

We will be closed.

September 22nd - Fall Pictures

September 28th - Open House
7:00-8:00 p.m.

We apologize for the outage of the webcams in the rear building. We replaced the rear monitor around six months ago. This replacement monitor cost roughly \$1500.00. We believe that lightning during a recent storm destroyed this one. We are now looking at better options of replacing it before we spend that same amount of money or more. We understand how important these cameras are to your peace of mind. Know that we are working to restore them but finding suitable equipment and putting the cabling/etc. in place to support them take time. We will keep you informed as to our progress and get them up and running as quickly as possible.
